## PRAYER CORNER

"Seek Ye First"

By Karen Lafferty

Ask and you shall receive; seek and you shall find; knock and it shall be opened to you.

Come in with your dreams

Enter, carrying your wishes and your longings.

Open the door, you who are afraid or worried or weighed down.

Bring your dreams, bring your hopes, bring your burdens.

Bring them all here to be blessed and made holy.

Bring them to me because they are you.

Welcome. Be at home. Come in.

God, we seek your help in our time of need.
